Pas de deux 2019

A liquid homage to a region, tradition and place. Craftsmanship in the vineyard and a lo-fi approach in the cellar: no destemming, whole bunch pressing, extremely gentle extraction.

Wild red fruit and the savory spice of dried herbs reveal a playful interconnectedness of aromatics and flavor. Pas de Deux moves with a silken, structured grace, balanced, with a web of fine-grained tannins on the palate before fading into a long, lingering finish.
