VILA DE TORROJA  
TERROIR AL LÍMIT SOC. LDA.  
PRIORAT

**Let us show you why origins matter. Join us for one of three exclusive guided tastings that explore and explain why the places, vines, and people of Priorat and Montsant are essential components in excellence.**

## Tasting Philosophy

Understanding the singular terroir of Priorat and Montsant is a life's work.

Follow the footsteps of **winemakers Dominik Huber and Tatjana Peceric** on this fascinating journey by booking one of our **three tasting experiences**. Each tasting celebrates a unique aspect of the estate's work, at a depth and intensity tailored to the needs and knowledge of the audience.

Choose between an introductory regional exploration through the prism of two remarkable regions; a premier cru window into the heart and soul of the region through the magic of old vines; or a grand cru pilgrimage through four of our finest single site wines... bottles coveted by aficionados the world over.

# 1 Village

Terroir draws deeply upon a sense of tradition and place. This package features **four wines from vineyards around Priorat and Montsant** that exemplify their unique cultural landscapes. Learn how the winemaking tradition forms the essential cradle for Terroir al Límit and Terroir sense Fronteres wines.

You'll enjoy wines that are balanced and expressive, yet ultimately without pretension – the opening chapter in a **liquid story about a place, a people, and a time.**

## 2 Premier Cru

Grapevines are the second essential partner in the terroir trilogy. This tasting, including a **vineyard tour, shines the spotlight on our old vine parcels.** In winemaking, older vines often work as wizened storytellers, capable of expressing a crucial factor – time – that modern winemaking too often masks.

Partake in four premier cru wines from vines ranging from 50 - 80 years in age. Through their striking beauty and purity, guests will gain an **essential understanding of how the estate's bottles can sustain a French soul, German head, and Spanish heart.**
