VILA DE TORROJA
TERROIR AL LÍMIT SOC. LDA.
PRIORAT

**Let us show you why origins matter. Join us
for one of our two tasting experiences and discover
why the places, vines, and people of Priorat and
Montsant are essential components in excellence.**

Tasting Philosophy

Understanding the singular terroir of Priorat and Montsant is a life's work.

Follow in the footsteps of **winemakers Dominik Huber and Tatjana Peceric** on this fascinating journey by choosing one of our **two tasting experiences**. Each tasting celebrates a unique aspect of the estate's work, at a depth and intensity tailored to the needs and knowledge of the audience.

Choose between a **Premier Cru** window into the heart and soul of the region through the magic of old vines, or a **Grand Cru** pilgrimage through four of our finest single-site wines – bottles coveted by aficionados the world over.

1 Premier Cru

Grapevines are the second essential partner in the terroir trilogy. This tasting **shines the spotlight on our old vine parcels.**

In winemaking, older vines often work as wizened storytellers, capable of expressing a crucial factor – time – that modern winemaking too often masks.

Partake in four premier cru wines from vines ranging from 50-80 years in age. Through their striking beauty and purity, guests will gain an essential understanding of how the estate's bottles can sustain a French soul, German head, and Spanish heart.

2 Grand Crus

Time and tradition set the stage, but monumental wines ultimately come from sites that are not just exceptional, but truly singular. This tasting offers an **immersive exploration of the estate's most prized sites**, revealing their distinctive character through the wines in the glass.

The tasting list is the stuff of legends and dreams: **Pedra de Guix, Les Manyes, Les Tosses, Guix Vermell**. Through these four wines, visitors will take decisive steps in unraveling the innermost secrets of these two magical winemaking regions.
